## Payment Card Industry Data Security Standard

We attest

**PayCific International AG**  
 Lintheschergasse 10  
 CH-8001 Zürich

the successful validation of the PCI Data Security Standard compliance assessment tasks listed below current at the time of the assessment:

Assessment Task	Validation	Result	Valid Until
<b>Onsite Review</b>	<b>13-Dec-2013</b>	<b>passed</b>	<b>12-Dec-2014</b>

This certificate is valid exclusively in combination with the Attestation of Compliance documents for the assessment tasks listed above at the time of validation. The company committed itself to use this certificate and the certification mark only within the validity period. This certificate does not constitute acceptance of the validation documentation or endorsement by any card scheme or the PCI SSC.
